

IT Support Services

from 3C Technology Ltd

Support

IT SUPPORT - TAILORED TO YOUR NEEDS

3C Technology's expert support team will look after your IT support at an affordable **fixed price per month**, so that you can focus on taking care of your business. Or, when it comes close to your existing contract's expiry date, allow us to provide a comparative quote and see how we measure up!

Why choose 3C?

- 12 months for the price of 10 - for your first year
- Fixed monthly cost
- FREE initial site survey
- Option to cancel within the first 60 days without penalty
- 6 or 12 month contracts
- Unlimited telephone and remote support
- Onsite support services
- Guaranteed 4 hour response and rapid fix times
- 24/7/365 network monitoring using ProServe (Proactive Server Monitoring)
- Flexible offerings that can be tailored to your business
- Short term support arrangements to cover annual leave/sick leave

What's more, we are confident we can deliver a high quality service. You can **exit out of the contract in the first 60 days** if you feel we are not up to the job. We believe this offers you peace of mind that you have selected the right IT supplier.

Simply call us on the telephone number below, and we can discuss helping your business reduce downtime, improve efficiency and keep your network running at peak performance.
